Dave & Busters - Jacksonville
May 17th

In addition to the girl rewards on the previous page, girls who sell 840+ boxes earn Adventure Points.

They will receive the total number of Adventure Points corresponding to their final achievement level and can mix and match rewards from different AP levels when selecting their prizes. For example, if a girl earns 10 AP points, she can choose one reward from the 10 AP box or she can choose a combination of reward from any of the lower AP boxes equaling up to 10 points.
