

Create Your Own Unicorn Headband!

1. Color It:

Decorate the horn, ears, hair, and flowers in any colors you love. Match your mood, personality, or favorite outfit. Add glitter or paint for extra sparkle!

2. Cut It Out:

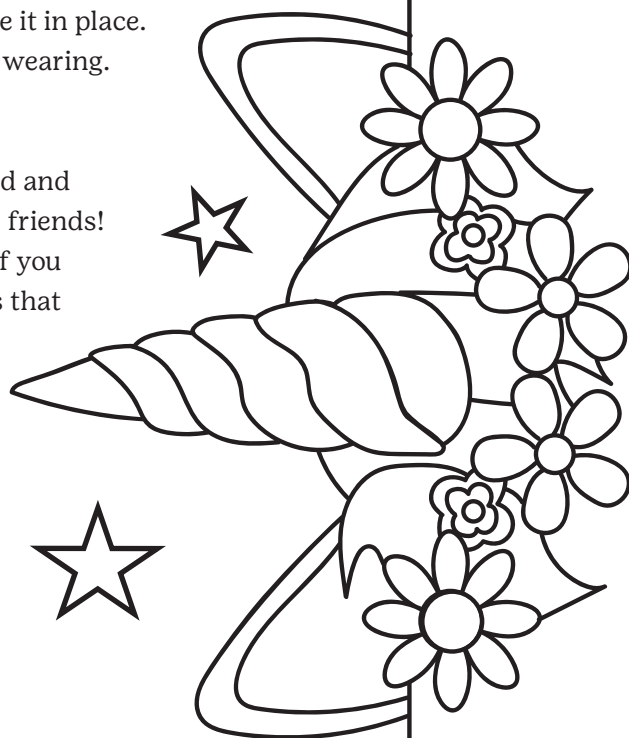

Once you're happy with your design, cut along the black lines to remove the unicorn piece and the extra band.

3. Assemble It:

Attach the extra band to the unicorn piece using glue or staples. Have someone help fit it to your head, then secure it in place. If using glue, let it dry before wearing.

4. Wear & Share:

Put on your unicorn headband and have fun with your Girl Scout friends! Celebrate what makes each of you unique and build friendships that last a lifetime.
