## Schedule of Events

The Spring Volunteer Conference will take place April 5th, 2025, in Tallahassee, Florida. Girl Scouts of Gateway Council and the Volunteer Experience Team is excited to bring you 14 unique breakout sessions designed to appeal to Girl Scout Volunteers of all experience levels. In addition, this event will feature mainstage speakers, opportunities to connect with volunteers and staff from across our council, and one-of-a-kind content to support you in the many hats you wear as a Girl Scout Volunteer. Sessions have been broadly grouped into three categories - Girl Scout Leadership Topics, Program Topics, and Professional Development Topics. Please utilize this worksheet to select your top choices for workshops you would like to attend as you plan for registration opening day.
